In lieu of a concise statement of relevance of the non-English language document, applicants submit an English translation of "Notification For Filing Opinion" issued by the Korean Patent Office in said counterpart application. The Examiner's attention is also called to the English language Abstract which appears on the face page of the listed document.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
